MANCURA AWARDS 2009 - 2022

Proteger y compartir el patrimonio chileno, esta es la misión de Mancura, a través de una VIÑA SOSTENIBLE, SOCIALMENTE RESPONSABLE y de las primeras en el país en obtener el Certificado de Sustentabilidad de Vinos de Chile. Sus viñedos en el valle del Maule -CUNA DE LA VITICULTURA NACIONAL- resguardan cepas ancestrales, las cuales dan origen a vinos de gran calidad y precio asequible, a diferencia de otras marcas en su categoría. Sus VINOS PATRIMONIALES son un reflejo de Chile, su naturaleza y sus costumbres, hechos para aquellos consumidores que desean cuidar el planeta, entregando un mundo mejor a las futuras generaciones

Mancura's mission is to protect and share Chilean heritage by being a SUSTAINABLE and SOCIALLY RESPONSIBLE WINERY and one of the first in the country to obtain the Wines of Chile Sustainable Certification. Its vineyards in the Maule Valley—BIRTHPLACE OF CHILEAN VITICULTURE—are home to ancestral varieties that give rise to high quality wines at an affordable price, unlike other brands in its category. Its HERITAGE WINES are a reflection of Chile, its nature, and its customs and are made for those consumers who want to care for the planet and deliver a better world to future generations.
